

Injuries incurred while at TAFE

Students must report to their teacher and the ESC first aid officer any injuries suffered while on TAFE premises or property. The teacher and/or first aid officer will treat the injury and complete a 'TAFE Injury Report Form'.

Class Conduct

- You are required to be punctual, attentive, properly equipped and well mannered towards your fellow students and your teacher.
- You should follow any reasonable direction from a member of TAFE NSW staff.
- TAFE colleges are smoke free zones and smoking is not permitted in any interior building of the campus, which includes all classrooms and workshops.
- You should not be on TAFE property if you are under the influence of any alcohol or non prescriptive drugs.
- You should behave responsibly by not littering and place all rubbish in bins provided.
- Any mobile phones, CD players, tape players and radios are not to be used in ESC classrooms or workshop.
- You must not consume any drinks or food and refrain from using bad language in class rooms or workshops.
- Do not leave your class without the permission of your teacher and all tool store tags must be returned to the store at completion of each class.
- You should not harass fellow students, or damage, steal, modify or misuse any NSW TAFE property.

_____ has agreed to the student regulations above and those set out in the student handbook and his/her signed declaration is attached to the class roll.

(Student's signature)

(Teacher's signature)

You must complete the following declaration before continuing with this course and permitted entry to the ESC workshop.

I have read the Health and Safety requirements as well as the other student regulations detailed above; I understand them and agree to abide by them.
